Terms and Conditions

- Katie's Bunny Boarding will provide safe, clean, and appropriate boarding conditions for your pet(s).
- Your rabbit should be up to date with vaccinations against Myxomatosis and Viral Haemorrhagic Disease (VHD) and the RVHD2 vaccine. Make sure you bring your rabbit's up to date inoculation certificate/proof of vaccines.
- You must inform us if your pet has any existing medical conditions, each case will be taken into account and I will do my best to accommodate their needs. If they require medicine during their stay I am happy to administer it.
- If guests become unwell during their stay with me and require a trip to the vet, I will do my utmost to make contact with you on the emergency telephone number if stated on your booking form. If we are unable to get hold of you in an emergency we will act under the advice of the vet consulted. By signing this form you are consenting for me to use my discretion and take your pet to the vet if necessary. An animal's welfare is our primary concern and we will always put what is best for them first.
- Owners will be responsible for costs incurred for veterinary visits/treatment upon collection of guests. If your pet becomes unwell he or she will be seen by a vet and if necessary will be moved into the house to live with me so I can keep a close eye on them.
- A charge of £5.00 will be payable for each visit to the vet to cover time.
- I will take no responsibility of any pet's pregnancy as all my animals are kept separate unless otherwise stated by you.
- I reserve the right to take action deemed fit in respect of your pet in the event of non-collection or contact by yourselves after 7 days from the arranged date of collection. My arrangement will be to try and re-home your pet.
- I accept no liability in the unlikely event that your pet becomes ill or dies during their stay as the environment is safe and is kept clean; all pets are left entirely at the owner's risk. I will contact you or your emergency contact immediately and will do my utmost to follow your wishes.
- The balance of your boarding fee will be payable on your arrival. Daily price includes: Litter, bedding, hay, green food, head rubs, attention, chats
- We ask that you bring your pet's own usual dried food to ensure consistency with their diet.
- Please note that prices are per day including the day your pet arrives with us, regardless of time of arrival. There is no charge for the day of departure providing you collect your pet before 10am. After 10am you will be charged for another day.
